[Policy Statement](#)

[Procedures](#)

Reason for Policy

The Higher Education Opportunity Act of 2008 (HEOA) requires the University to establish a missing student notification policy and related procedures for students living in On-Grounds student housing.

Definition of Terms

[Emancipated Individual](#)

A person less than 18 years of age who has been declared by a court to be independent of his or her parents.

[Student \(1\)](#)

A person enrolled in one or more courses at the University of Virginia.

Policy Statement

The University of Virginia will provide every student living in On-Grounds student housing the opportunity and means to identify a missing person contact to be used if a student is reported missing. Missing student contact information provided will be registered confidentially, accessible only to authorized University officials and may not be disclosed except to law enforcement personnel in furtherance of a missing person investigation.

In accordance with the procedures established under this policy, within 24 hours after a student living in On-Grounds student housing has been reported missing and the student is not known to have returned to University

Grounds or otherwise been located, the Dean of Students or designee will notify the individual the student has designated as his/her missing person contact. If the missing student is under 18 years of age and not an emancipated individual, the Dean of Students or designee also will notify the student's custodial parent or guardian.

The University Police Department shall investigate all reports of missing students and will notify and cooperate with other law enforcement agencies, as necessary, to further the investigation.

Compliance with Policy:

Failure to comply with the requirements of this policy may result in disciplinary action up to and including termination or expulsion in accordance with relevant University policies.

Questions about this policy should be directed to [Student Affairs](#) or the [University Police Department](#).

Procedures

Any individual who believes a student living in On-Grounds student housing may be missing should immediately contact the University Police Department (UPD) at 2304 Ivy Road Charlottesville, VA 22903 or by phone at (434) 924-7166. UPD will notify Student Affairs upon receipt of a missing student report. When receiving such report, both Student Affairs and UPD will attempt to determine whether the student is, in fact, missing. Among other steps that may be taken depending on the circumstances:

- Student Affairs will attempt to contact the student through all reasonable and available means.
- UPD will investigate the validity of the missing person report and manage the information according to its established investigative standards.
- UPD may notify appropriate University personnel and seek their aid in the investigation (e.g., Housing and Residence Life staff, Counseling and Psychological Services staff, etc.).
- UPD will notify local law enforcement agencies within 24 hours of the determination that the student is missing, unless the local law enforcement agency was the entity that made the determination that the student is missing.

If, within 24 hours of the report, UPD is unable to locate the missing student and the student is not known to have returned to University Grounds or otherwise located, UPD will notify Student Affairs and Student Affairs shall take the following action(s):

- The Dean of Students or designee will promptly notify the individual the student has designated as his/her missing person contact and document the date and time of the notification.
- If the missing student is under 18 years of age and not an emancipated individual, the Dean of Students or designee also will notify the student's custodial parent or guardian and document the date and time of the notification.

UPD and Student Affairs will coordinate their efforts to locate the missing student. The Dean of Students or designee will notify the Vice President and Chief Student Affairs Officer and update him/her on the status of the investigation as appropriate.

When the missing student is located, the Dean of Students or designee will contact the student to offer any appropriate support, as well the emergency contacts and/or parents to confirm the student has been located.

If the initial investigation is unsuccessful in locating the missing student, UPD will continue to investigate according to established police procedures. The Dean of Students or designee will decide what further action, if any, should be taken by Student Affairs.
