**Policy Statement**

The University is committed to promoting communication among students, faculty, the administration, and the surrounding community. Posting and chalking on University property (excluding the Medical Center) is permitted under the following conditions:

1. **Posting:**
   All affiliated persons, student groups/organizations, and unaffiliated persons may engage in posting on University property in compliance with the following conditions:

   - Exterior posting on University property is permitted on designated kiosks. Materials may not be placed on areas or surfaces not intended for posting including, but not limited to: trees, columns, lampposts, bollards, walls, trash receptacles, railings, newspaper racks, construction fences, and bicycle racks.

   - Postings are limited to one per individual/organization per kiosk on a first-come, first-serve basis.

     - All materials posted shall clearly indicate the name of the sponsoring University department, office, student organization, independent group or outside organization.

     - Materials shall be posted in such a manner as not to deface or damage the surface to which they are attached. Masking tape is an acceptable means of securing materials to a surface. Scotch or Scotch-type tapes and duct tape are not allowed; nor are liquid paste or cement of any type.

   - With the exception of the Amphitheater, no banners or similar large signs may be displayed on University property. Individuals/organizations wishing to place a sign in the Amphitheater need to obtain approval from Student Affairs Event Management.

   - No structures (e.g., sandwich boards, installations, exhibits, signs) may be placed on Grounds for display purposes, or to provide space for posting flyers or other announcements, unless pursuant to
official University business including but not limited to school/department/unit activities. Proposals for works of art in public spaces may be reviewed and approved by the Committee on Public Art pursuant to its procedures. The Amphitheater may be reserved by student organizations for temporary display purposes not to exceed one display per organization each semester. No Amphitheater display may remain overnight or exceed one day in duration. Designated Amphitheater banner locations are not subject to this policy and may be reserved by student organization and University departments through Student Affairs Event Management.

- University schools and departments may post removable stickers on University-controlled sidewalks for marketing purposes in the furtherance of official University business. The stickers must be produced by UVA Print or Facilities Management; be placed no earlier than one week prior to the advertised event; and be removed no later than 24 hours following the event. Stickers may not be placed on brick, slate, other stone surfaces, buildings, or other structures of any kind.

- All postings and/or announcements in Athletics Facilities are restricted and approved only in advance by the Department of Athletics, Facilities and Game Operations, and/or by Event Management at the time of a particular event.

2. **Chalking:**
   Only affiliated persons and student groups/organizations may engage in chalking on University property. Affiliated persons and student groups/organizations may engage in chalking in compliance with the following conditions:

   - Chalk may be used on exposed (not below roofs or other overhangs) exterior concrete or asphalt sidewalks or walkways. Use of chalk on brick, slate, other stone surfaces, buildings, or other structures of any kind - with the **exception** of the *University Remembrance Garden Wall* - is strictly prohibited.

   - Only non-permanent sidewalk chalk may be used. No paint, spray/adhesive chalks, markers, or inks are allowed.

   - Only one chalked message is permitted per sidewalk area (for example: one each to the north, west, and east of the amphitheater; one each on the sidewalks surrounding the Lower Lawn).

3. **Compliance with Policy:**
   Posted materials which are not in compliance with these regulations will be removed by Facilities Management or other University officials without regard to content.

   Failure to comply with the requirements of this policy may result in disciplinary action up to and including termination or expulsion in accordance with relevant University policies. Individuals and organizations, including student groups/organizations, failing to comply with this policy may jeopardize future posting privileges; be liable for damage and/or clean-up costs if any are incurred; jeopardize funding or other privileges afforded to them; or face charges before the University Judiciary Committee.
Any person who violates this policy may be removed and/or prosecuted for trespass or other offenses in accordance with federal or state law.

Questions about this policy should be directed to Student Affairs Event Management.

**Procedures**
