Welcome

A University policy enables a faculty, staff or student to teach, do research, perform a job, or study within the framework prescribed by local, state, federal and University regulations.

Mission of the Policy Office

The Mission of the Policy Office at the University of Virginia is to provide guidance in the policy process, and to communicate new policies to the University community in a timely manner.

Submit comments on the website or the policy process to Imm2z@virginia.edu.
